The City of Arlington, like many cities in Oregon, is faced with a severely reduced budget for the administration of the City's ordinances. The land use planning process in the State of Oregon has become increasingly complex. To properly process your land use application, the City must rely upon professional consultants to assist in preparing the legal notices, conducting on-site inspection, preparation of staff reports and attendance at the Planning Commission and/or City Council meeting. The City utilizes a consultant to ensure your application is processed fairly and promptly. Because of the reduced budgets, the City finds it necessary to transfer those administrative costs to you, the applicant, as a part of the land use planning process. Therefore, you are asked to read and sign this application below, indicating you understand the requirement.
